**ARE YOU
FIT TO SELL?**

Carla Woolnough
Staging Expert

Usually buyers are looking for all of the items on their wish list, not a to-do list. Walking into your home and seeing a range of to-do projects will turn them away faster than you can say “water damage”. Sometimes it’s not the big things but a lot of little things that turn buyers away.

Present buyers with a complete package that is move-in ready. Help them see it as a home they can be comfortable and happy in. If they see problems and jobs to do in and around the property, your house will go to the bottom of their list of homes they’ve seen, or their offer price may be much less than what you are looking for. Put it at the top of their list and have your home sell quickly and for top dollar!

4. What chattels (fixtures, appliances etc.) would you like to keep or include in the sale of your home?

Carla's Tip

If you are painting the front door or garage make sure to select colours that work with your fixed elements of the home (Ex. brick, siding, roof). The front door needs to draw buyers in and the garage door needs to blend into the home.

Carla's Tip

Removing all your personal photos, collectibles and any personal items will allow buyers to feel that it is their home rather than being a guest in your home.

If you have a china cabinet make sure to treat it like a store window display. Pre-packing all you smaller items and only keeping the larger pieces will provide a better visual for buyers rather than looking at a cluttered cabinet.

Master Bedroom/ En-suite

The master bedroom and en-suite should create a mood that is relaxing with a spa-like setting. Buyers want to envision the way they wish to live. Create the look that will encourage buyers to say "WOW" when they walk in.

What are the Top Features (WOW Factor) to focus on?

- ☐ Large space (retreat feel)
- ☐ Closet space
- ☐ En-suite bathroom
- ☐ Other

What are the Top Distractions (Turn Offs) to remove?

Pre-pack off-season items in your closet and merchandise. To give the illusion of even more space, remove everything off the floor and organize shelves.

Bathrooms

Creating a spa-like feel in all the bathrooms will have buyers looking forward to relaxing at the end of a long day. Luxury sells every bathroom. Your bathrooms should look like no one has used them and if yours looks less than new, consider some reasonably priced upgrades.
